

DENTAL INDUSTRY  
ASSOCIATION OF CANADA  
ASSOCIATION CANADIENNE  
DE L'INDUSTRIE DENTAIRE

*September 27, 2023*

“We are shocked and saddened by the sudden death of Henry Doyle, the President and Chair of the Board of Directors of the Dental Industry Association of Canada (DIAC).

Henry was an esteemed leader in the Canadian dental industry and his death is a great loss to all who knew him. As President of DIAC, he led the Association with passion and integrity.

On behalf of our members and the Canadian dental industry as a whole, we offer our deepest sympathies to Henry’s family and friends. He will be truly missed.”

The Board of Directors,  
Dental Industry Association of Canada

*About DIAC -*

*The Dental Industry Association of Canada (DIAC) is an association of dental product manufacturers, distributors, dental service organizations (DSOs), commercial dental laboratories and professional service providers, and our member companies are committed to the highest standards of service to dental industry professionals in Canada. DIAC is a non-profit organization founded in 1978 and is governed by an elected board of directors. We are a respected voice of the industry in matters of business ethics, legislative change, industry issues, communication and industry collaboration with dental associations in Canada and globally and we continue to develop and deliver programming that provides value to our members.*
